

Caldwell County Carrie McBee Award Application

Boy____ Girl____

One Award annually given to both a boy and girl, non-rookie age 13 or younger.

The Carrie McBee Award started because the Caldwell County 4-H Council wanted to pay honor and respect to a lovely lady who supported and helped so many youth to better themselves through 4-H work. She was a great leader, who taught young people to dream and reach for the stars and in time they will achieve their goals. Carrie Lee McBee not only was a project leader and community leader of the Pleasant Hill Hustlers, but she served as County Extension Leader for a few years. She was always willing to go the extra mile to help youth of the county. Her interest in young people created a desire in her to see them meet their requirements in project and community activities to reach for higher honors. She was a loyal, wonderful friend and neighbor to all who knew her.
